AND ITEMS OF LOCAL INTEREST

Paul Carson returned home last week from a pleasant vacation visit with friends and relatives in Missouri and Oklahoma.

Mrs. J. R. Todd, of Clifton and her guest, Miss Josephine Webb, of Wichita, Kansas, were the guests of Mrs. A. T. Thomson over Sunday.

W. F. Davis, the well known Morenci Southern R. R. conductor, returned this week from an enjoyable two week's visit in Deming, New Mexico and El Paso, Texas.

Among those who attended the impromptu dance given in Clifton on Tuesday evening were: Misses Mary O. Wilson, Bertha Kinney and Josephine Young and Messrs. Broyles, Ebner and McMillan, and Mr. and Mrs. A. L. Cummings.

Harry A. Hill left on Friday of this week for a several weeks visit with relatives in Austin, Texas. Harry expects to make his annual hunting trip, a hundred miles south of his home, with a party of friends during his visit.

Dr. H. W. Swigert, of Denver, the well known oculist, was in Morenci this week for several days on a business mission.

Mrs. Mary McLean Reeder was the week end guest of relatives in Metcalf this week.

Misses Annette Joy and Daisy Andrews, of Clifton, were visiting friends in Morenci on Saturday of last week.

Mr. and Mrs. W. P. Weller were the guests of Mr. and Mrs. Gay, of Metcalf, on Thanksgiving Day.

T. N. Schumaker, formerly connected with the El Paso and Southwestern R. R. system, accompanied by Walter Douglas and Mr. James, of New York, were in Morenci last week on an inspection trip over the Morenci Southern R. R. They were brought up from Guthrie on a motor car and were taken to Clifton later in the day by motor. This was Mr. Schumaker's last inspection trip over the E. P. & S. W. lines, as he will assume his position as one of the directors of the Rock Island, to which he was recently elected.

Owing to the fact that the inside work in the new general office of the D. C. M. Company, has not reached a sufficient stage of completion, the

dance that was announced to have been held there on Friday evening of this week, was indefinitely postponed. Some delay has been caused in the finishing and the committee in charge deemed it advisable to wait until the building looked its best before opening it to the public. Everybody looking forward to a good time when the affair is given.

The assembly room of the school building was the scene of a delightful affair on last Saturday afternoon when Mrs. Le Moyne Work entertained a large circle of friends at cards in honor of her friend Mrs. J. Money of Los Angeles. The time was pleasantly spent in playing "Five Hundred" and in a social manner. During the afternoon a delicious lunch composed of linens, with hand embroidery, were awarded to Mrs. Larkin Neal, Mrs. J. C. Efronson, and Miss Rod McDougall. As a memento of the affair, each guest was presented with beautiful carnations.

In pursuance of the plans and specifications made some time ago, for a new depot, freight room and accommodations for the Wells-Fargo & Co., work was begun on the plaza this week. Forms were set up for the concrete bases and the work will be steadily pushed until its completion.

In response to a call for the "Stray Elks" to assemble, about twenty-five met in the parlor of Hotel Morenci on last Wednesday evening. The prime idea of the affair was to organize a dancing club, and give a series of dances during the winter months. After much discussion it was decided to give three dances, one in January, February and March, under the direction of the "Stray Elks" organization. During the affair the old officers were unanimously voted to continue in their offices indefinitely. Many other subjects were brought up and discussed pro and con during the session and the assemblage adjourned to meet again in the near future. The officers of the "Stray Elks" are as follows: President, A. L. Cummings; Secretary, J. V. Pearson, and Treasurer, Judge Lally.

Quite a number of the local Elk are arranging to attend the annual memorial service to be held in the Princess theatre in Clifton on Sunday, Dec. 7th, under the auspices of Clifton Lodge No. 1174 B. P. O. Elks.

The first real snow of the season blew in on us Wednesday night and it was quite a surprise to those retir-

ing early in the evening. About three inches was reported and the camp surely presented a beautiful sight with its white blanket.

Mrs. W. P. Weller will participate in the Elk Memorial service program in Clifton, Sunday, and will sing a solo, accompanied by Mrs. A. L. Cummings.

It is remarkable to note the narrowness and selfishness of some people in respects to a newspaper. They like to read when it tickles their fancy, but for them to furnish a bit of newsy dope for some one else to enjoy is just a little beyond them. Then, too, newspapers are published with interest to the public at large and not in favor of one sect, creed, nor a bunch of narrow ideas. This section of the Copper Era is set aside for Morenci happenings of all descriptions within decency and reason. If information is not given the writer, it is often gotten by hearsay. All items are generously considered and appreciated. Are you doing your part to make this column "worth reading."
